MOTION IN RESPONSE TO SWITCHBLADE ENHANCEMENT

(by Robert Sigouin pro-se defendant)

Comes now Robert Sigouin pro-se defendant, I am addressing this matter for the following reason:

Every day ten times a day I think about the two point enhancement (15 months) for a knife found under my bed several days after my arrest. I tried to explain it on Dec.21st but was told by Judge Seabright that it was too late to explain.Well-- maybe so but I must get the true story off my mind and on the record so,if you don't read it well that's your choice. I'll try keep it as short as possible.

My daughter Michelle and two of her friends asked me to put up a teather ball pole for them(the girls were between the ages of 8 and 10 at the time).While I was digging a hole and mixing concrete to secure the pole the girls were all playing on swing I had installed previously. While looking for a shovel in the garage,where my sons and their friends play music and store their camping gear right on the floor was "The Knife" open.Thinking that the girls could hurt themselves I took "The Knife" and put it in my room where it would be safe and returned to my project and forgot all about "it".Well the next time I heard of the knife was after my guilty plea on a motion for a two point enhancement.

Hence the act of love I did by putting "The Knife" in a safe place so that three little girls might not injure themselves turns out to be the cause for me not to be able to be with "my daughter" and help protect her from harm for an extra fifteen months. I am 59 years old and have no history of violence whatsoever."Amazing"!!!!

Dated March 12th 2007.

Respectfully,

Robert Sigouin
